

ME C Rules and Admission Requirements

Department of Mechanical Engineering

This will be implemented starting FALL 2008

- **C Rule**

Students admitted to the BSME program must have “C” or better grade in the following courses:

Math 211 Calculus I

Math 212 Calculus II

Phys 231N Physics I

ME 204 Statics

ME 205 Dynamics

ME 220 Solid Mechanics

ME 311 Thermo I

ME 303 Fluids

- **Prerequisites**

Prerequisites for the above listed courses as well as all ME courses will be implemented on the “Banner” system starting FALL 2008.

- **Admission**

Only those freshman engineering students who have successfully completed 30 credit hours of freshman engineering course work with an overall GPA of **2.20** will be admitted to the ME program.

Required courses:

	Credit Hours
ENGN 110 and 111 –	2+2
MATH 211	4
MATH 212	4
CHEM 115N	4
CHEM 117	3
ENGL 110C	3
PHYS 231N	4
CS 150	4

Total Credit Hrs. 30

Revised 2/26/08
